Write a typed, double-spaced essay of 800 to 1000 words (3 to 4 pages) describing your experience working for social justice in your school or your community. Include the information outlined below. Feel free to enhance your essay by attaching brief (not to exceed 2 minutes) digital, graphic, or other art form material (optional).

PLEASE INCLUDE THE FOLLOWING INFORMATION:

Describe your social justice project(s) and your level of leadership and involvement. Explain what motivated you to choose this project, what you did, and what the project accomplished.

Describe how your project addresses the broad goals of social justice such as reducing economic inequality, improving human rights, voting rights, promoting diversity, or working to end violence, racism, and discrimination.

Explain how your goals and work relate to the life and goals of Sojourner Truth. Include specific references about her work.

Tell us what college or post-secondary program you plan to attend and your plan for continuing your social justice work after high school. Briefly share any other personal information that pertains to your work for social justice.
