WELCOME BACK TO SCHOOL!

Welcome families to a new academic year! We hope your student is beginning to settle into their new fall schedule.

We're delighted to introduce you to the Springfield Promise Program (SPP). We are a department within Springfield Public Schools. SPP provides college financial aid advising to Springfield Public and Charter School students and families. Financial Aid Advisors assist with the Free Application for Federal Student Aid (or BETTER FAFSA) completion, scholarships, award letter comparisons, summer plans after graduation, and more!

MEET OUR STAFF

Springfield Promise Program believes an affordable college education should be within reach. With guidance from our Financial Aid Advisors (FAA), your student will never miss an important detail.

Getting to know us early is a promising idea no matter what. We can inform you of deadlines, aid, and scholarships for which your student might wish to apply. We are at every high school at least once a week, so please encourage your student to stop by to see us when we are in the buildings.
