

# Basic Navigation in Unified Classroom

# Unified Classroom - Basic Navigation

Below, please see an example student dashboard in Unified Classroom with descriptions. Students can easily navigate the platform using these and the above-mentioned instructions.

The screenshot shows the Unified Classroom interface with several key components highlighted by red callout boxes:

- Activity Feed & Messages:** Points to the top-left navigation area.
- Calendar:** Points to the central calendar widget.
- Course Selector Menu:** Points to the dropdown menu in the top navigation bar showing "All Classes - 10 Classes".
- Notification Bell:** Points to the bell icon in the top right corner.
- Class Pages:** Points to the left-hand navigation menu.
- Assignments:** Points to the "Upcoming Assignments" and "Recent Assignments" sections on the right.
- Activity Feed:** Points to the "Activity Feed" section at the bottom right, which shows "No messages".

**Course Selector Menu:** Select individual or groups of classes for view in on the Dashboard

# Unified Classroom - Basic Navigation
